CLIMBING HIGH INTO THE SUN
GRACE MARIE MYERS

Senior Class

Now we are Seniors! Looking back on all our struggles as underclassmen we wonder how we have made it this far. But it has been a happy time and we do hate to leave dear old Central.

When we were green sophomores, we remember Mr. McKimmey's little pep talk our first day at Central and how we were afraid to sit anywhere in the auditorium except Sophomore Roost. Next in our memory comes the Sophomore Picnic at Lincoln Park where we ate so much that we didn't give the cafeteria any business for a week!

A few fast moving weeks and we were juniors. We all dressed in our best "bibs and tuckers" to come see the Junior play "Charley's Aunt" and were awed to see what a good aunt Donald Grace really did make. Then came Spring and the Jr.-Sr. prom. Of course we thought it was the best ever.

Finally after struggling through many hardships we were seniors. We were struck with the seriousness of it all when some of our boys left to go to College and others left for the army, the navy, and the marines.

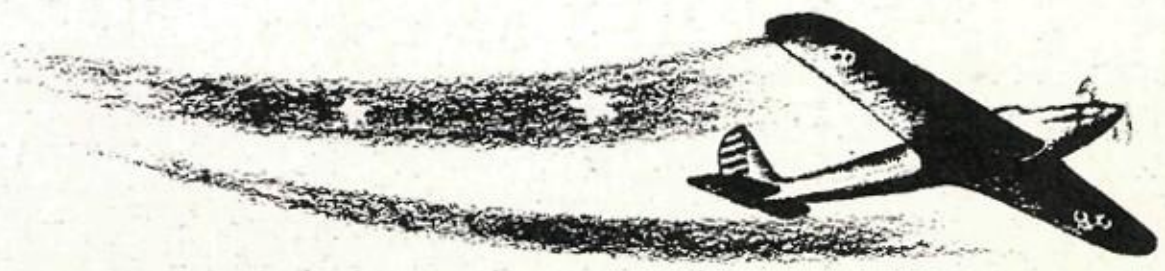
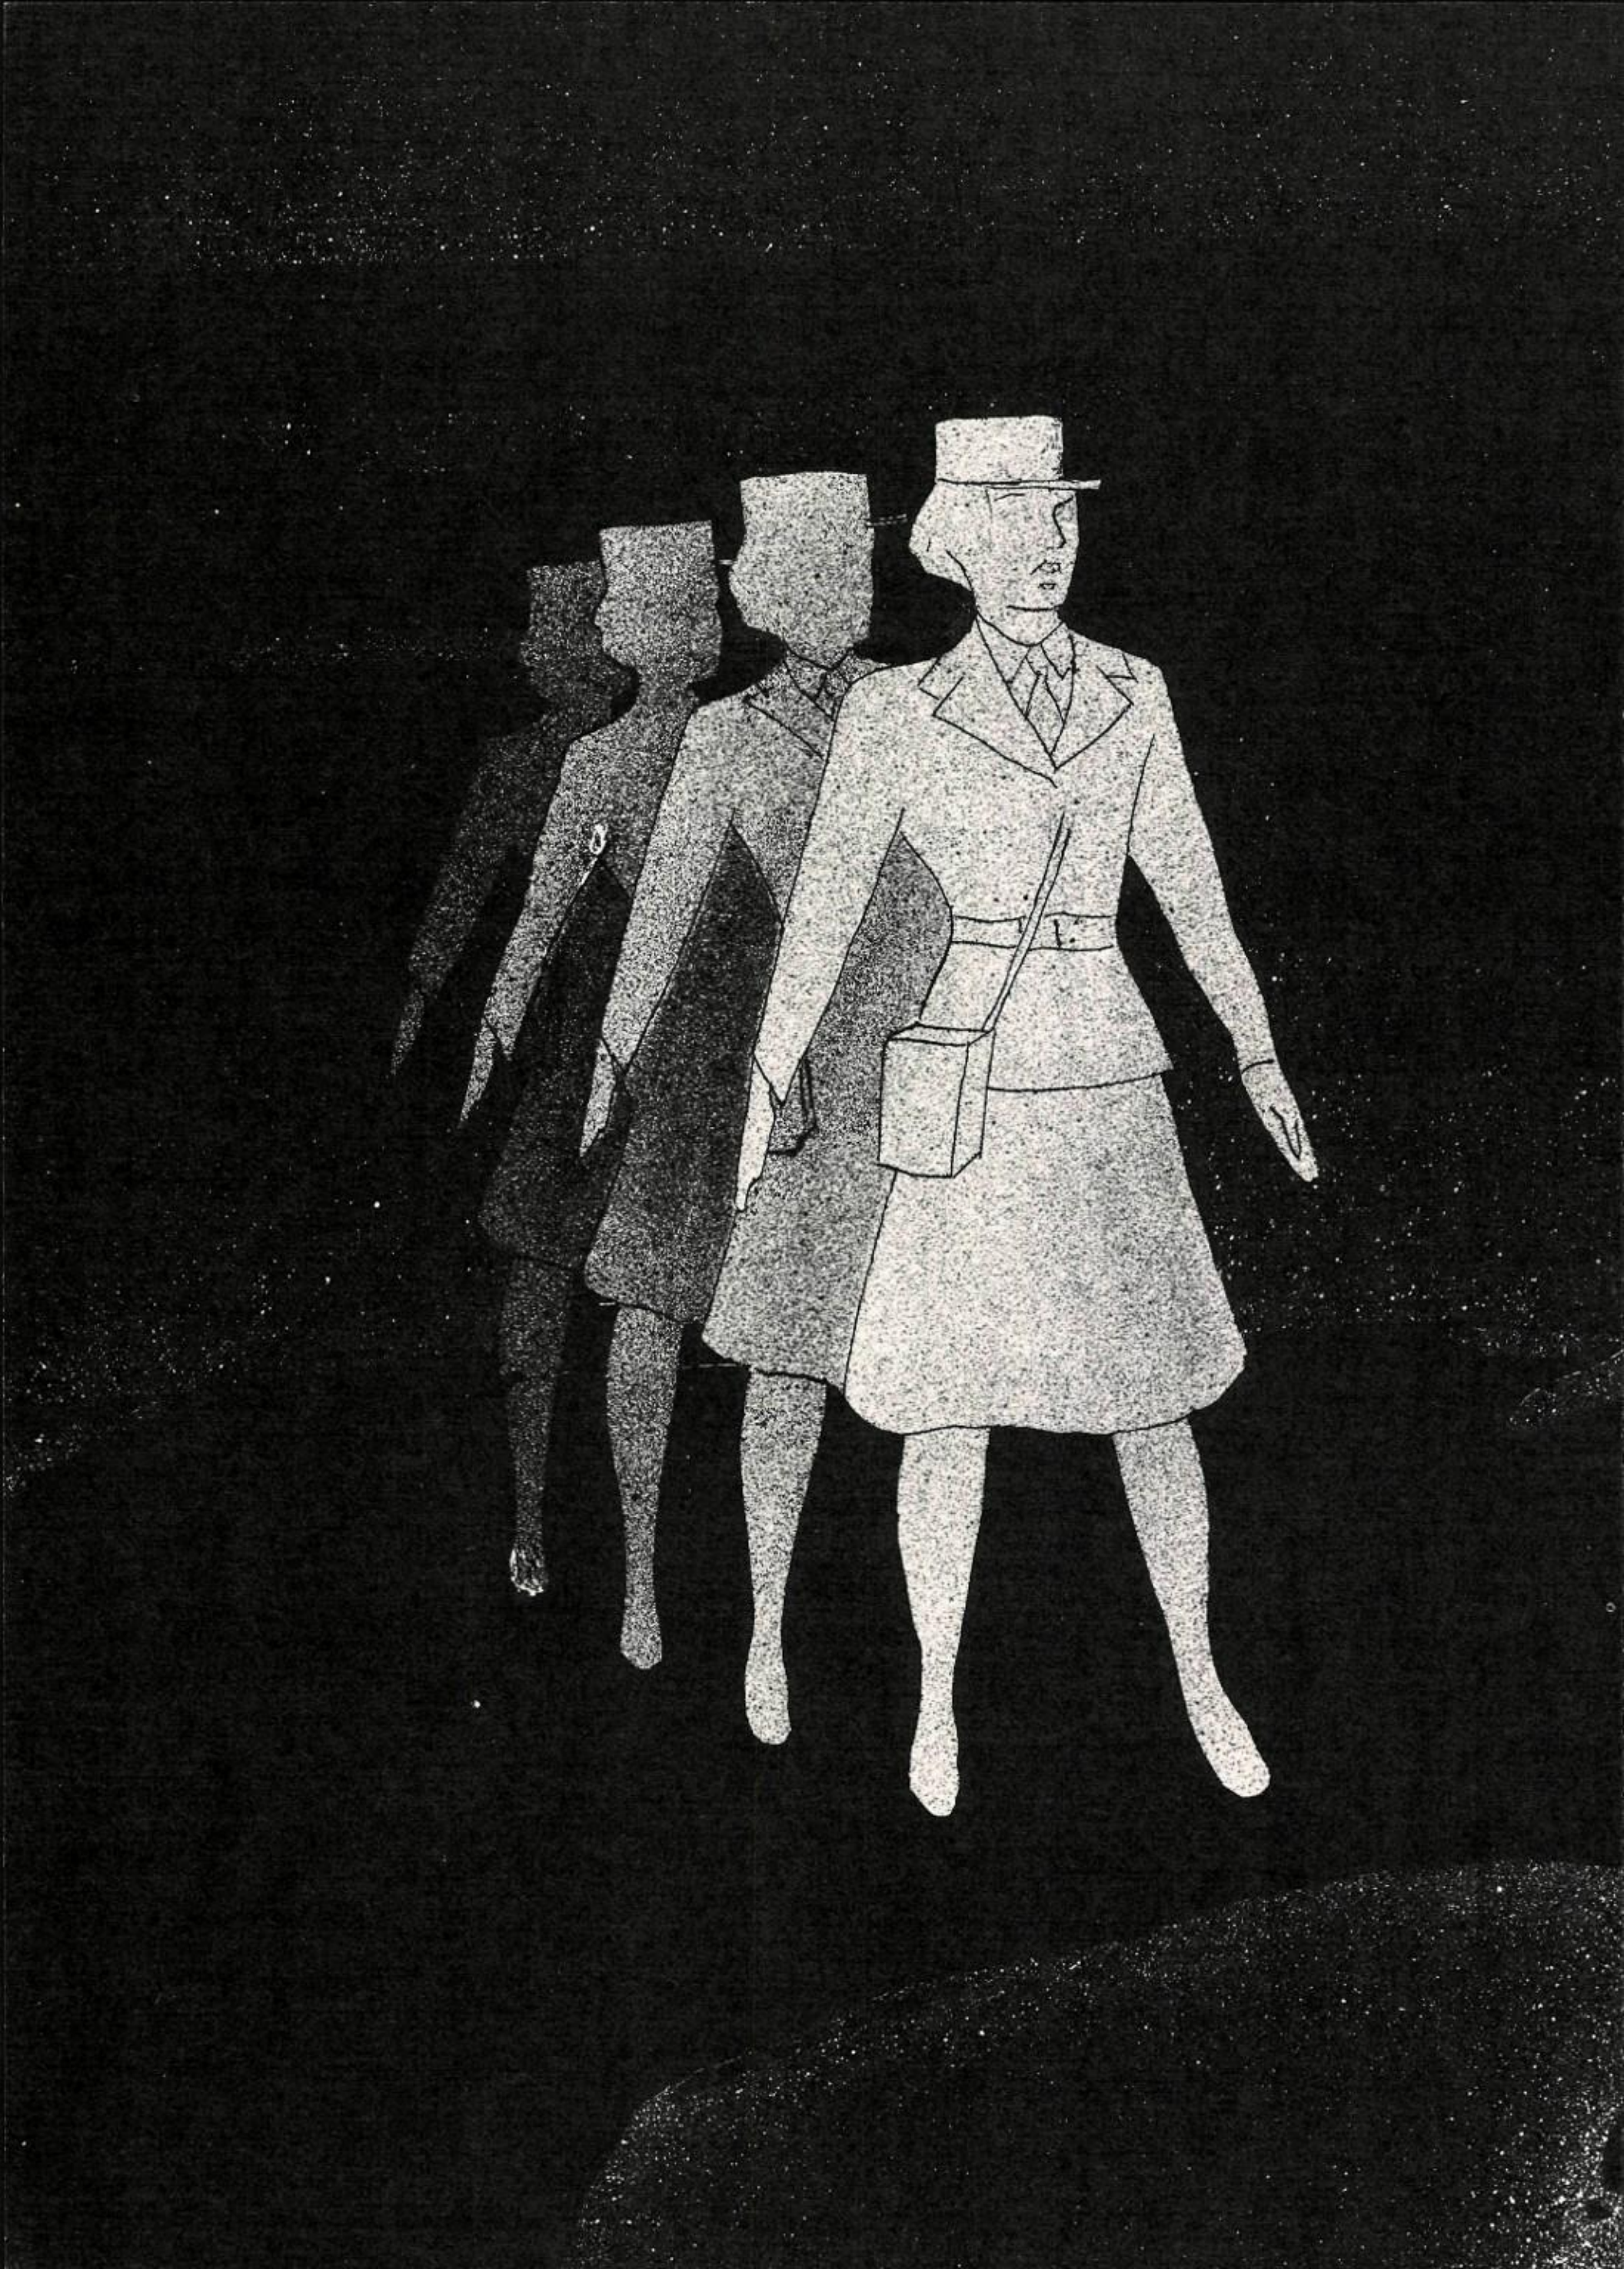
Wings

Les Beaux Arts club and The Pan-American Student Forum presented for their third annual joint assembly, "Wings," on April 14 and 15. The Parent-Teacher Association Council sponsored the night performance.

The program consisted of works of art depicted by living poses with appropriate costuming, backgrounds, and lighting, and accompanied by appropriate music, dances and radio dramas, with the continuity carrying a strong plea for mutual understanding between nations thru the related arts and our newly acquired mastery of the air. The entire spectacle was viewed thru a gauze curtain bearing the new aerial map of the northern hemisphere.





Class of 1945

The Sophomore class represents one-third of Central's student body. It functions just as the Junior and Senior classes do with its sponsors and its group of officers.

The Sophomore class also contributes its share of leaders to many different activities throughout the school.

The Sophomores who have distinguished themselves in the field of speech are: Willis Threlkeld, Theodora Anthony, Harry Palmer, Dahl Brown.

Leslie Ming, who lettered his first year out for football; Bob Gregg and Bob Vaughn, who are promising prospects for Central's 1943 backfield and Harry Palmer, who has shown his ability as a football player are the Sophomore representatives in athletics.

A number of Sophomores have won distinction in scholarship. Among these are these straight A students: Betty Calvert, Barbara Wildman, Betty Ann Doss, Catherine John, Donald James.

BEHIND THE LINES, PREPARE

GRACE MARIE MYERS

Class of 1944

Here we are, Juniors! After a year of struggling in the lowest of positions, that of Sophomores, we have attained that long hoped for position of Upper Classmen. As Sophomores we selected as our President, Johnny Sloane, who is now serving our country in the Navy. Jane Lee Sweet, our 2nd president, is well known throughout the halls of Central for her piano playing ability. In accordance with tradition we had a class roundup, this time without food. It was a benefit picture show, quite a big event. Everyone turned out.

Boys we contributed to the athletic field and that have excelled are, Lewis Amis, Roy Ketchum, Martin Loutham, Winston Boydston, Earl Williams and many others.

We excelled in dramatics by presenting one of the best Junior plays ever given. For the first time the Junior Play, which was called "What A Life," was given twice, once at night and again for a matinee.

ARTHUR BOBO
Sergeant-at-Arms First Semester

JANE LEE SWEET
Sergeant-at-Arms Second Semester

Then of course, as is the custom, we gave to the class of "43" a grand Junior-Senior Prom. We are all looking forward to the time when we will achieve even higher honors and contribute even more to our school in that coveted position of Seniors.

The Sophomore class also contributes its share of leaders to many different activities throughout the school.

The Sophomores who have distinguished themselves in the field of speech are: Willis Threlkeld, Theodora Anthony, Harry Palmer, Dahl Brown.

Leslie Ming, who lettered his first year out for football; Bob Gregg and Bob Vaughn, who are promising prospects for Central's 1943 backfield and Harry Palmer, who has shown his ability as a football player are the Sophomore representatives in athletics.

A number of Sophomores have won distinction in scholarship. Among these are these straight A students: Betty Calvert, Barbara Wildman, Betty Ann Doss, Catherine John, Donald James.

Football Story

by Johnnie West

Praise the team—they beat the opposition. Not everytime—but almost. The Central Cardinals flew high this season—the sky was the limit. They took Lawton like MacArthur took Japs and that team hadn't tooted defeat in 2 years! And they eclipsed the Classen Comets like a blackout! The Cardinals believed the proverb that "Victories that are easy are cheap." Those are only worth having which come as a result of hard fighting. This year's nine lettermen, Gordon, Andros, Simon, Jordan, Bruno, Canfield, Starkey, Williams, and Fagin which include five first stringers from last year's team, proved they could fight—and win—not only games but honors.

On the City All-Star team was placed West, Bonebrake, Canfield, Jordan, and Capt. Bruno. On the Mid-state team was Canfield, Jordan, and Bruno. On the Tulsa World's All-State team was Jordan and Bruno while Canfield and West were alternates. Bill Jordan brought glory to Central by making the All-State team. It was a "V" for Victory year on the gridiron for alma mater.

CENTRAL 19 CLASSEN 6

14,000 people filled Taft Stadium to watch this annual Card-Comet tilt—Classen, undefeated; Central stunned by a wide margin loss the previous week. In the first quarter, Central scored on an end run by "Bounding" Bill Jordan. Bill played his finest game of the season against the Comets and it was his end runs and line plunges that smashed the Classen line. Classen scored on a 13-yard pass in the final 5 seconds of the first half. Dean Starkey, Card half, whose passes filled the Comet secondary all night, ran a punt back 45 yards through a downhearted Classen team for the final score and saw Central come out on top 19-6.

CENTRAL 13 CHICKASHA 0

Central, not up to par, fought with their backs to the goal until Jordan ran 96 yards for a T. D. Chickasha came back with passes to threaten the Cards, but Capt. Frank Bruno, line backer deluxe, intercepted an aerial and ran 75 yards to set up another Card T. D.

CENTRAL 20 LAWTON 13

Although Central was given little chance against Lawton, they came through as much the better club. Lawton drove 65 yards on the kickoff for a touchdown, but Central tied it up. At the half, Lawton lead 13-6. Jordan came through to again tie the score in the third quarter. Jordan passed 18 yards to Johnnie West, Central end, and later completed another. Both were spectacular catches by West who is playing his first year of football. The passes enabled another Card T. D. As Central won 20-13, it ended Lawton's unbeaten record of fourteen games.

CENTRAL 7 ENID 33

Coach Olen Williams almost saw his dreams come true as Buddy Williams took a pass for a touchdown in the first quarter to put Central in the lead 7-0 at the half. But the second half was a different story. Jimmie Keeton, fine Enid back, filled the Card secondary with passes of clock-like precision that completely bewildered the whole Central team. Enid scored all of her touchdowns on Keeton's passes.

CENTRAL 21 NORMAN 7

Featured in the Mid-state game, Don Gordon, intercepted a Norman pass with 2 minutes to play in the first half and ran 65 yards to help Central lead 7-0. Coming back in the second half, the Cards scored two more times while Norman punched a T. D. across on a line plunge. The Tigers seemed to have the necessary drive until they were down on the goal line, but they never had the punch to get it across.

CENTRAL 33 NORTHEAST 6

The last game of the season, saw Central avenge that 25-0 loss last year by the Norsemen. The Cards took the opening kickoff and in 12 plays cashed in on a T. D. Dee Andros, like a tiger in that left tackle slot was in the Northeast backfield most of the game, smearing the ball carriers for substantial losses. The second team took over in the last 5 minutes and ran across a T. D.

CENTRAL 6 PONCA CITY 6

Opening the season, the Ponca City Wildcats invaded the Cards at Taft Stadium. In the first quarter, Central marched 76 yards to pay dirt. With the sparkling defensive play of Junior Simon, Cardinal guard, the Wildcats were held with two minutes to play on their own 20 yard line. An 80 yard pass tied the score thus starting the Cards off to a very successful season.

CENTRAL 2 CAPITOL HILL 6

The Redskins, inspired by intra-city rivalry downed a favored Central team 6 to 2. Central smothered a Redskin back behind the goal in the first quarter, but big Charley Walls, Capitol Hill F. B. ran 51 yards through the Center of Card line for the Redskin score. Central made two thrusts in the last half behind the constant yardage of Marion Fagin, Card halfback, but couldn't gain through the Capitol Hill forward wall. He ran the ends all night. 5000 fans witnessed the game.

CENTRAL 14 SHAWNEE 7

An upset of a team undefeated thus far in the season. Defeating Atoka 66-0, the previous week, the Wolverines were to win by at least 2 touchdowns. Shawnee led 7-0 at the half, but a determined Cardinal eleven came back and punched across the winning points. Don Canfield, who smashed up the Wolverine line plays time after time, was undoubtedly the defensive standout. Randolph Bonebrake played an exceptionally brilliant defense in backing up the line and lugged back an intercepted pass 30 yards to set up one of Central's scores. Bruno ran his string of conversions to 5 straight.

Starting with one of the most inexperienced teams in 13 years, Coach Clarence Breithaupt felt as if the season would be tough going, but as usual he came through with a fine team.

Only two lettermen returned, Johnny West, and Freddy West. The Central quintet led by Freddy West opened their basketball season with a 27-21 win over Britton.

The Cards led again by Fred West dumped the Foster team 22-19. West led the scoring with 12 points.

In the second meet with Foster, the Warriors made only three field goals. John West was switched from guard to forward and led the Cards to a victory of 42-6.

In the wildest free-for-all of the year caught the Cards defeated 32-26 by the Classen Comets. It was hard fought with a lot of hand-cuffing along with fine basketball.

In their second meet with Enid the Cards sought revenge by leading all the way to a victorious win of 28-26. The score was tied with 50 seconds to play when Fred West drove thru the Enid 5 to score a bucket, which decided the game.

Tied for the bottom run of the Intra-City ladder, the Central Cards and the Northeast Norsemen clashed.

Led by Frank Plummer's playing in his first game at center, the Cards defeated Northeast 34-23.

Leading throughout most of the first quarter the Cards lost hold and were defeated 36-21 by Capitol Hill, with Winston Boydston as high point man.

With Fred West the entire show, Central notched a victory over Norman, 29-19.

Central's return bout with Norman proved successful with a victory of 25-22.

With Charles Schillings as high point man, the Cards tangled with Capitol Hill with a decided loss of 42-18.

J. T. Lackey led the Cards again at El Reno only to find his attempts futile. El Reno marked up a victory of 28-21.

Putnam City was defeated by the superior Cardinals 42-22, with Vernon Powen leading the scoring.

The final clash between Central-Classen proved to be the most exciting one of the season. In the remaining seconds the Cards were one point behind when Winston Boydston received a free throw. He made a beautiful bucket, tying the score and causing an overtime—the last three minutes had the hysterical crowds on their feet. Fred West, who had held Classen's captain, Roy Cope to three points, was fouled, his free throw was good as was the final basket by Jimmy Herndon. This brought the score up to 25-23 for the Central Cards.

Wrestling

Coach Gordon DuPree explained that he can teach the boys all the holds but it takes the continuous experience of matches in order to work those holds to the best advantages.

As this is only the second year for the wrestling team it wasn't very successful, although the boys showed improvement throughout the season.

Bill Reynolds and Bill Emberton were the only two boys who had had previous training and Emberton pinned his opponent at the state meet.

To letter it was necessary to have at least three pins. Those lettering were Rudolph Madden, Bill Reynolds, Bill Emberton and Wayne Burrow.

Three boys who were very promising decided to throw all their powers into helping their country by joining the Navy. They are Donald Lee, Ernest Riley, Ed McElvaney, and Irwin Mutz who joined the Army.

We all should look forward to a successful season next year.

Back Row—Harold Noble, James Watts, Don Smith, Charles Wisler, Calvin McLish, Pat Knox, Carl Grisham, Mr. Lewis "Squee" Braden.

Front Row—LeRoy Jarvis, Arthur Custer, Robert Warren, George Hanges, Howard Rains, Frank Plummer, Randolph Bonebrake.

Baseball

In the spring of last year our baseball team, coached by Lewis "Squee" Braden; won the all-state championship at Norman. The deciding game was with Classsen in which John Hall pitched a no-hit, no-run game, the final score being 6-o. Throughout the season the team won ten games and lost three. The Cards also tied the city title with Capitol Hill.

The returning boys are Calvin McLish as the ace pitcher, Vernon Bowen at third base, LeRoy Jarvis as one of the best catchers in the state, Virgil Shaw at second base, and Randolph Bonebrake as pitcher and backfield.

The new boys are Howard Raines, shortstop, Pat Knox, James Watts, Arthur Custer, Jim Greenhall in the outfield, and George Hanges at first base.

PHYSICAL EDUCATION

KATHRYN NORRIS
Director

In war-time, women are given many opportunities to show just what they are capable of doing—and the fact that our girls' gym department is preparing our girls to rise to any emergency is very evident when you remember how this fall the gym floor needed repainting; but, no custodians available, no painters (union or otherwise) no brushes, only some cans of two year old paint. So—the girls, led by Mrs. Jones, rolled up their sleeves and gave the old floor a fine new set of "lines."

The girls in class are given an opportunity to learn not only the usual team games—volley ball, soft ball, basket ball and newcomb—but one day a week they have the opportunity to go bowling, and another day is for skating; military drill and calisthenics are regular parts of the program.

PHYSICAL EDUCATION

RUTH CRAIG JONES
Instructor

However, the lines are a bit worn now because of noon-hour recreation periods for both boys and girls when badminton, volley ball, basket ball, table tennis, and dancing—are noisily participated in. The Victory Corps drills here twice weekly.

As are the various individual sports. But because the girls engage in so many activities doesn't mean they don't show up well in inter-school matches—last year the soft ball team was all-victorious champions; (six of this team are back for this year and are pictured above) we won 1, 2, 3, and 4 in the state table tennis at OU last year and 1, 2, and 4 at A. and M. Our square dancing teams won 1 and 2 in the state at OU and this year's volley ball team won in the city race. The girls are looking forward to a track meet and tennis tournament this spring.

Organized in 1921, the first pep club west of the Mississippi, the Red Shirt Club is one of the outstanding organizations in Central. Looking down its rolls, one can find most of the leaders of the school, politically, socially, and athletically. Under the guidance of Mr. Miller, the Red Shirts have risen to new heights in popularity and in social and beneficial activities. Among these were two bang-up formal dances, Christmas and Spring; a host of informal dances; organization of a drill corps to march at school functions; and, best of all, a minstrel show to raise money for new curtains in the Little Theater of Central. The Red Shirts are looking forward to a bight future.

The high standards and ideals of Central are represented in the Red Skirt Pep Club. For years these girls have been outstanding in leadership, scholarship, character, and dramatics. Their enthusiastic pep and school spirit have stood behind Central in all her school functions.

Some of the activities of the Red Skirts during the past year have been: giving stunts for the football and basketball games, assistance in assemblies, ushering for various performances, and buying and distributing candy for the troop trains. The highlights of the Red Skirts social functions were the annual football banquet and backward dances given by the pledges.

Since its organization by the faculty three years ago, the Black Skirt Pep Club has risen to top honors in scholarship, leadership, and character. Among its members are found some of the best artists, musicians, writers and actresses in Central.

Within the Club are two other organizations: the Black Skirt String Band and Flag Swingers, both of which have been real contributions to the school.

Black Skirts were the most envied girls in the city when they ushered for the Ballet Russe, Lily Pons, and the opera, "La Boheme."

Besides all regular activities, the Black Skirts went all-out for the war effort, including the Scrap Drive, the sale of E War Bonds and Stamps and the High School Victory Corps.

Social life is not lacking: the most important event of the year was a formal dance, held at the Hall of Mirrors.

The talents and abilities of this club have injected new vitality into Central's spirit, making our Alma Mater once more "tops" in pep and sports, as well as the Fine Arts.

Sponsor: Mr. Harold Castor.

Under the sponsorship of Mr. Harold Castor, the Black Shirt pep club adopted a new policy for service. The organization was divided into several units to make this policy more effective.

Most of the assemblies, the Junior Play, Les Beaux Arts assembly, and the Senior Play, were among the various activities under the staging of the Black Shirt Stage Technicians Unit.

Picture shows, posters, and signs were provided by the Projection and Art Units, respectively. A Christmas Program, with the Black Skirts and parents as guests, New Year's and Spring Dances, were the highlights under the supervision of the Entertainment Unit. The athletic and Photography Units have been just as active during their short time of organization.

Organized in 1905 as the "Pioneer Debating Society," the "Jeffs" have now become one of the active organizations in Central High School. Their annual Stag Banquet, held during the Christmas holidays, is one of the biggest events of the year. Acting in the role of Santa Claus, the "Jeffs" make Christmas a reality for the underprivileged children of Walnut Grove Community each Yuletide. Cooperation with the Junior Red Cross has been one of the prime objectives on this splendid organization all year. Through its many worthwhile activities such as these, the Jeffersonian Debating Society has made itself an inspirational and vital part of O. H. S.

With the aid of its new sponsors, Miss Collier and Miss Morris, the Ciceronian Debating Society has had one of the most active and successful years since its organization in 1912.

Speech, always a major activity of the club, has received even more attention this year. The Cices have participated in all school speech contests as well as in contests throughout the state, and have made an excellent showing. The medal annually awarded by the Ciceronians was presented to the outstanding speech student in the Jr. Hi Schools. The Cice assembly, "Portrait of an American," set a new high-water mark for dramatic presentation in Central.

The year's Social activities were highlighted by a steak fry at Will Rogers Park, a reunion of Cices at the annual stag banquet, and in the spring a party in honor of the Senior members.

In addition to their usual activities, the Cices have taken on numerous war projects: the presentation of the service flag to the school in memory of Central's boys who are fighting in every branch of the armed services; and the establishment of a War Bond Council, whose goal was the purchase of a $137,000 pursuit ship.

Student Council

Sponsor: Mrs. Bogle.

This year, under the sponsorship of Mrs. Bogle, the Student Council has reached new heights in leadership and popularity. Composed of the leaders of all classes in the school, the council is the governing body of the school.

The council contributed generously to all the funds and has sponsored such campaigns as the scrap drive, the Red Cross, roll call, and the Christmas box drive. Money raised from a pay assembly was donated to the Red Cross. During the second semester the council shouldered the heavy task of sponsoring the "Victory Corps" and did an excellent job. An outstanding social affair was staged in the spring for the Honor Society.

With a fine record, the student government looks forward to a promising season next year.

The purpose of the Pan American Student Forum is to bring about a closer relationship, sympathy, and understanding with the peoples of the American continents. "Of one blood hath He made all nations" is the motto of the club.

In addition to being the leaders in scholarship, the Pan Americans believe in having fun as well as studying. The outstanding social functions of the year were the Founder's Day Banquet in November, the Christmas Benefit Dance for needy Mexicans, and the April Dinner-Dance on Pan American Day.

The assembly presented by the Pan American Student Forum in collaboration with the Les Beaux Arts Club had as its theme "the place of aviation in international unity" and was an inspiration to the whole student body.

To create and sustain art interest in Central High School and community is the purpose of Les Beaux Arts Club. This club was organized in 1921 and many of its former members have been doing distinctive work in various forms of art.

One of the principle activities of the club is the annual art assembly which always aims at a correlation between the arts and national or international affairs.

The annual Dramatic Club Christmas Play climaxed the Holiday Season in Central. Donald Grace gave a vivid interpretation of the morning of Christmas as Scrooge in Dickens's "A Christmas Carol." The spring assembly was also a high-note of the school year, as was to be expected from the cream of dramatic and speech students who are members of the Dramatic Club.

However, the lighter side was not neglected. The Fall Steak Fry was a great success, and the Spring Social was even more of a hit.

For almost ten years the Dramatic Club had included state and national speech contest-winners.

The purpose of the Masquers is "to recognize and to further and develop interest and talent in speech work for boys in Central High School."

Organized in 1938 by six boys who had participated in the junior play, the Masquers is now one of the outstanding organizations in O. H. S. Membership is honorary and includes only those boys who have shown outstanding dramatic and speech talent along with the qualities of leadership. They know nothing of their election to membership until the president calls their names in assembly. The membership can never exceed twenty, and members are taken in only twice a year, at the conclusion of each semester.

Under the direction of their sponsor, Miss Maybelle Conger, the Masquers take pride in their many scholastic and social activities. Highlighting their calendar of events is their annual Founders Day Banquet held each November, their annual assembly each spring, and the many dances, picnics and parties throughout the year.

Girl Reserves

Slogan: To Face Life Squarely.

Purpose: To Find and Give The Best.

The Symbol: The Girl Reserve Symbol is the blue triangle in a blue circle on a white background.

The triangle with its three sides represents the girl herself, growing into a more kindly individual. It represents the first part of our purpose, "To Give The Best."

The circle around the triangle represents a Girl Reserve's experience with the people around her. It is all these people that is challenged to give her best, and so live up to the second part of our purpose, "To Give The Best."

Music Council

The music Council is Central's newest organization. It is composed of the representatives of the six music groups of the school: the Band, Orchestra, Red Skirt Drum and Bugle, Black Skirt Serenaders, A Cappella, and Girls Glee Club. The purpose of the organization is to approve all music activities before they are presented to the school. The Council's social functions have proved to be a high spot on the calendar.

They have entertained with an all-school Box Supper, and an all-school skating party. For the Music Department the Council gave a formal dance at the Biltmore Hotel.

Central's Band kept up its usual fine standard of musical talents in spite or heavy losses to the Armed Forces. The band gave the student body a chance to hear some really fine music by giving weekly concerts in the auditorium during the lunch periods. They also gave concerts for members of the Armed Forces, various civic groups and several national conventions. At football games and numerous parades they demonstrated their outstanding marching ability.

The Band has taken a lead in Central's social whirl by having a skating party, a picnic, an old-fashioned box-supper, and a formal dance, all of which are annual affairs. They also organized the officers of the different music groups into the Music Council.

The Band showed an admirable "eye for beauty" in electing for their Queen of Music, Wilma Patchett, who was duly crowned by Ed Thayer, Band President.

This year has been one of the most successful years in the history of Central's orchestra. The ability of the players and the excellent instrumentation has made this possible. The first semester the orchestra blossomed out in red jackets bearing white emblems with red lettering and a black lyre.

The concerts this year were numerous. In addition to the performances here at Central, the orchestra was chosen to play for district teachers' meeting; concerts were played at various junior high schools, at Will Rogers Field and of course at the annual commencement program which was the highlight of the year.

However it wasn't all work and no play, for a party was held in connection with the initiation of new members to offset the season of hard work.

Black Skirt Serenaders

Directed by Mr. A. H. Long

This String Band is the only one of its kind in the United States. It is one of the many activities of the Black Skirt Pep Club. Its membership, like its popularity, is growing every day. These girls have played on the radio several times, not counting the many times they have entertained the Chamber of Commerce and various programs at Service Centers . . . Keep your eyes on these shooting stars!

One of the most active groups at Central is the A Cappella Choir which is responsible for a large part of the fine entertainment presented in our assembly programs. Some of those were the National Honor Society, The Junior Red Cross Membership, and The Patriotic Program Assemblies. Although the choir is primarily for Central, it has participated in various city-wide programs, such as the Christmas Pageant at the Municipal Auditorium.

The climax of their achievement this year was typified by the excellent production of the Gilbert and Sullivan light opera, "Trial by Jury."

Science Club

The newest addition to Central is the Science Club, which was founded by a group of students who realized the importance of science in the modern world. The purpose of this club is to further an interest in science. This is done by having demonstrations and guest speakers at their meetings. Members are encouraged to read all the latest scientific literature. An informative and enjoyable field trip was held in the spring. It proved a valuable experience as well as a chance for fellowship.

The purpose of the Junior Red Cross is to further all approved activities suggested by the national organization. At this time, most of these activities are connected in some manner with the war effort.

The most outstanding activities of this year include:

The Membership Drive. $540.19 was raised. 85 percent of the school was enrolled.

The Christmas boxes for children abroad.

The Christmas project for the soldiers hospitalized at Ft. Sill.

The home economics department has played a vital part in Red Cross activities: Hospital garments, knitting, bandage rolling, making candy for the soldiers.

"WHAT A LIFE"

A Comedy in Three Acts

The principal characters are Henry Aldrich, who just can't memorize the dates in Roman History, who tries to sell everything he owns in order to raise two dollars to take his girl to the Spring Dance, and who in desperation "borrows" answers for his examination, only to be found out; Barbara Pearson who is gloriously happy and desperately unhappy over the prospect of her first formal dance; George Bigelow, Henry's enemy, who almost gets him into real trouble; several teachers, including Miss Pike, Miss Johnson, and Miss Wheeler, with their worries about Easter vacation; Mr. Nelson, vice principal, who straightens out Henry's problem and sets him on the right path; not to mention Henry's mother who insists that the boy should go to Princeton, though his real talent is for drawing. Henry just can't get through his head the book learning he is supposed to absorb, and that is what involves him in scrapes both serious and amusing and, on one occasion, makes it look as though he had actually stolen the band instruments, to the consternation of the distracted music teacher who, with the help of an amusing detective, finally discovers that the instruments have been pawned by Bigelow, who tried to throw the blame on Henry.

Billie Dee gave a life-like portrayal of Henry Aldrich because of his own personal experiences that made him a double for Henry. The highlight of the play was Ellyne Garr's and Jimmie Armor's love scene. To quote Mr. Armor, "Why didn't somebody tell me about these things?"

Second Row—Ralph Wilson, Gayanne Harris, Mary Lou Downing, Frank Constant, Maybelle Conger, J. T. Jerkins, Loretto Bostick, Thad Farmer.

"BERKELEY SQUARE"

A Fantasy In Three Acts

The idea is that time is not a stright line, but that events of the past, present and future can be mingled into the life of one man we are privileged to watch. When the ardent young American, Peter Standish, with his love of the eighteenth century, inherits a house in Berkeley Square, he is able to change places with his ancestor, the Peter Standish who also came from New York in 1784 and married his cousin Kate Petigrew. His attitude is still that of a modern—he takes the earlier Peter's body and retains his own soul. He starts by taking up the threads of the earlier Peter's life, becomes engaged to Kate, and sits to Sir Joshua Reynolds for the famous portrait which hangs in Berkeley Square. Then he falls in love and is loved by Kate's sister, Helen, a charming creature possessed of clairvoyant gifts. For a brief space the two stand out of time, in the eternal. They love and have to part, for the modern world recalls the modern Peter and his ancestor clamours to return to his period. The two change times—disillusioned men. Back in his own time, Peter rejects the rich girl he was to marry and is left alone with his memories, symbolized on the Egyptian emblem which Helen gave him, and we leave him reading a copy of the inscription of her tombstone, which tells of her death over a hundred years ago.

HIGH-SCHOOL

Central High School has been one of the first schools in the United States to organize a High School Victory Corps. This organization plans to unify class activities, extra-curricular activities, and guidance programs to further the war effort.

Two major objectives are: The training of youths for that war service which will come after they leave school; and the active participation in the community's war effort while they are yet in school. It is democratic and voluntary in character. Students are asked to select their special areas of service. These areas are divided into six groups: Air Service; Land Service; Sea Service; Production Service; Community Service; and the General Division. All divisions work to develop wartime citizenship, physical fitness, military drill, competence in science and math, pre-flight training, and community services.

The new Home Front Course was organized to help high school students solve many of the home

problems for which they are forced to take more responsibility because of the war. Eight weeks are spent in the Home Economics department, eight weeks in the Industrial Arts department, and two weeks in the Physical Education department. Projects studied are: Nutrition and Health; Selection of rationed foods; Storage and conservation; Preparation and serving; Packing lunches; Care and repair of household equipment; Physical fitness; and Social hygiene.

Central's increasing popular First Aid class gives the standard Red Cross First Aid certificate. The class studies what to do before the doctor arrives. The course includes the study of respiration and poison gases, the bandaging of all kinds of wounds, pressure points, splints, snake and dog bites, poison ivy, and all minor ailments. The girls have found the information extremely helpful around home, on play grounds and in summer camps.

Calendar of Events

As an incentive to oncoming Centralites, especially Juniors, this is the recipe to follow for a successful year at Central. To give it an inviting taste, it is called the Victory Cake. Since it is such a special brand, it takes nine months to bake with the careful mixing of a few ingredients each month. Of course the ingredients used will change from year to year.

Wednesday September 16

To start the cake off with that mellow flavor, mix a greeting to all new students of Central by Bob Key, with a few, very few, well beaten, cracked jokes for which he is famous and which he still sells for the price of a dozen eggs.

Friday October 2

For a really solid foundation, add about this time ..... of scrap metal just like Central did during the scrap drive this week. If, during the year, you find any more scrap around the house, just add it for good measure. The more scrap metal, the better and faster the Victory Cake will bake.

Thursday October 15

Before you forget, add a few spices like the beautiful Dorothy Canfield and her football hero Bill Jordan.

Wednesday October 28

Now for a color scheme that will promote dignity, get 32 blue and gold candles. These represent the new honor society members who were inducted today and should be placed on the cake after it is baked and lighted to shine as a symbol of scholarship.

Wednesday November 11

To make the cake light and fluffy fold in several million angels and what could be better than the angels of Mercy, the Red Cross Nurses. To those courageous nurses who ease the pain and lighten the burdens of others our hearts say "thanks." For them, this week was held the Annual Red Cross Roll Call Drive and everyone who contributed did much to hasten Victory.

November 18

Every cake needs a little chocolate so throw in some of the Red Shirt Minstrel. A little of the balcony scene with 200 lbs. of football tackle, Junior Simon, alias Juliet should flavor. Stir to the tune of those old favorites "Dark Town Strutters Ball" and "By the Light of the Silvery Moon" with Don (Rastus) Powers at the piano!

For that note of seriousness which is much needed at this time, fold in some ideas on the American way. Choose these today from the themes by Violet Doolin and Lee Hoffman which were read in the Thanksgiving assembly sponsored by the Golden Key.

December 2

Quite a lot of color and sweetness should be extracted from the Black Skirt string orchestra as it plays in music assembly today. Mary Lou Downing in the rhythm section can give you the desired beat.

December 4

The cake must have the proper number of celebrities. So at the Band Box Supper tonight try and steal band queen, Wilma Patchett to put in. If you have had luck just put in lots of good food that you'll find there. It will put you in a jolly mood for Christmas which is just around the corner. Also catch a few of the snowflakes which started falling today.

December 16

A cake would not have the right buoyancy without the annual Christmas play given by the Dramatic Club. This year it was Dicken's ever moving, "Christmas Carol" with Donald Grace as Scrooge.

January 20

If the cake seems to be getting stale add a bunch of swell new sophomores and introduce them to Central by a Student Council Assembly. Donald Grace, the new President, will help to make this a success.

February 12

This is about time to swing in the big Black Skirt formal with beautiful Barbara Plomondon and Jimmie Peschl leading the grand march and as welcome guests come the members of Enid's basketball team. By the way we beat them that night.

March

This was the month of several famous events which add seasoning. First, the Ciceronians came through with a very patriotic assembly and then the Masquers lightened up the week with a comedy "All Aboard" featuring Dahl Brown as that cute colored girl. Following up in true "Meller Drammer" style came the Jeff assembly.

Oh! Oh! Time for annual to go to press, guess I'll have to fortell the future success of this Victory Cake. You can plan on all the clubs having at least one more dance maybe two and the Black Skirts are planning a big event. The Red Skirts will probably have one too.

ORGANIZATIONS OF OUR ALMA MATER

Note from the author:

I am seriously afraid that all this material is so poor that it doesn't merit the waste basket. However, I am bold, and make a try.

Henry Wadsworth Key

The Student Bounsel

named because our legislation bounces right back at us) s organization is the controlling and unifying influence on student organizations here at old Dental High. (This, perps, explains why everything on this page is all wrong). Under the guidance of our sponcor, Mrs. Bugle, we have gone far, very far, in fact, too far, as we are now hanging over a precipice with no help in sight.

The Grammatic Club

This organization, with its mixed membership, has done much to preserve dignity. Why, we even dress our ghosts in pillow slips, rather than sheets, to preserve dignity. Our sponsory Miss Welder, has done much to introduce peace and quiet to our ranks. But, we are so conservative, we refuse to acknowledge the introduction.

Black Slacks

Used to be known as Black Skirts, but in these days. Here is Barber Pimndn, their president. No, she isn't sick. She is merely trying to pronounce her name.

Red Skirts

Your editor could think up no take off on this one. Meet Hannah Cowbell, a very fine lass, the president.

The Red Ears

Used to be known as Red Shirts, but since cold spell. Very dignified organization, very dignified prexy, Rolf Treadsbad.

Black Cravats

We were once the Black Shirts, but now, with the material shortage, we just wear ties. Our excellent president, Lowrance Dumb.

Minutes of average meeting. Order called by President Pilson. Program. Bob Hurt plays solo on his chimpan zee.* We all sing our theme song, "Vivat Jefferius, mortat Cicero!" Language fiend Harry Palmer is called on to translate, but a quick report by the treasurer discovers Palmer hasn't paid his initiation fee of one dollar yet. Palmer offers to pay 98¢. Palmer ousted. Moved and seconded to have another bang-up hayride. Eva asks us to buy her three flashlight batteries. Motion on hayride tabled. Key obtains floor and orates for thirty-five minutes. Key ousted. Stevens moves to re-admit Key. Stevens ousted. Armor moves to re-admit Stevens. Armor ousted. A representative from our friendly club, the Cices, arrives. Five Jeffs booked at station for assault and battery. Pledge Don Danner moves to initiate pledges. Pledge class of 1932 ousted. Recess. Rumor has it that rival club is being formed outside by those who were ousted. Jeffs, armed to the teeth, adjourn to investigate.

* Correction—timpani.

Cices

Minutes of average meeting. Order called by President Upping. Noses are counted. J. T. Jerkins demands that his nose be counted twice. Fined 25¢. Jerkins objects. Fined $1. Treasurer now announces that dues are due. Fined 35¢ for trying to make a pun. Ed Thayer rises to a point of personal privilege and claims that Grace struck him with a pin. Thayer asked to produce pin. Cannot. Fined $1 for a bad point. Grace rises to a POINT of order and displays the pin. Grace ousted from meeting for such a sorry joke. Pledges asked to sweep up corn off floor. Pledges refuse since they outnumber the members and ask members to sweep up corn. Pres. Upping in a fit of anger fines the pledge class 50¢ per. Irving Fagin offers to pay 20¢ now and the rest in three monthly installments. Fagin massacred and fined. Treasurer objects that too much money is coming in and he can't handle it all. Treasurer fined $1 for improper attitude. Meeting adjourns on a perplexing problem. Individually, the Cices are penniless. Collectively, they are so rich it is pitiful.
